IT Squarehub Leadership Award Intern
IT Squarehub Outstanding Intern Award

WORK EXPERIENCE

IT Squarehub Global Services Corporation

(2025 Jul to 2025 Oct)

Position: Full Stack Developer Intern Trainee
Specialization: IT/Computer - Software Development
Industry: Computer / Information Technology (Software)
Nature of Work: Led a team of four interns in the design and development of a web-based Certificate Generator System for the company. Responsible for project planning, task delegation, and ensuring timely completion of deliverables. Developed the system using Angular 18 for the front end, Node.js for the backend, and MySQL for database management. Integrated Cloudinary for image handling and implemented deployment using Vercel (frontend) and Render (backend/database services). Oversaw system functionality including certificate generation, preview, and data management features. Successfully delivered the project, which was recognized with the Innovative Project Award, and received the Leadership Award for effective team management and project execution.

Bamacom Inc.

(2024 Dec to 2025 Mar)

Position: SEO Developer Trainee
Specialization: IT/Computer - Software Development
Industry: Computer / Information Technology (Software)
Nature of Work: This project is a part of requirements for Web Search Engine Optimization and Analytics. This project is full of learning and experience. It is my first time to do a project with an actual client which is Bamacom Inc. based in Pasig City. We recreate and redesign their business website and improve its SEO and Google Analytics. I was assigned as the Project leader for this requirement. We used Wordpress as our tool to create the website and elementor to enhance the design of the website. Yoast is used for the improvement of the SEO. Where in most part of the project is a first hand experience which makes it a valuable and memorable project.

Eastern Porac National High School
